Baltimore Union Soccer Club
9033 Honeygo Boulevard
Perry Hall, MD 21128
www.baltimoreunionsc.com

Baltimore Union Soccer Club is very pleased to announce an expanded partnership with Amanda Gallagher Orthodontics who has generously agreed to sponsor our upcoming camps, clinics and tryouts. Baltimore Union Soccer Club strives to provide a positive atmosphere while developing successful soccer players, which parallels to Amanda Gallagher's commitment to an outstanding customer experience.

"Amanda Gallagher Orthodontics recognizes the importance of youth sports in developing teamwork and lifelong healthy lifestyle habits, and we are happy to support Baltimore Union SC in its commitment to youth soccer." said Ben Whetzel, Dr. Gallagher's husband and Business Manager of AG Ortho.

Dr. Gallagher was voted "most athletic" in her high school class and went on to play Division 1 field hockey at James Madison University. She also was a champion youth swimmer, track all-star, and participated on several travel soccer teams in her youth. "Dr. Gallagher credits much of her personal drive and perseverance to her student-athlete days, as sports have helped her to set and attain personal and educational goals." added Whetzel.

Additionally, Whetzel expressed the importance in supporting their patients both in the office as well as in the community. "We live and work in this community and are very fortunate to be able to serve such amazing patients every day! So many of Dr. Gallagher's patients are already members of the club, and AG Ortho is excited to partner with such a great group of coaches, parents and players who are elevating youth soccer in the Baltimore area."

As part of the sponsorship, Baltimore Union camp, clinic and try out participants will proudly display the Amanda Gallagher Orthodontics name and logo on their shirts. Additionally, the club will list AG Ortho as an official sponsor on their website and social media pages.
